chill

which

graph

check

white

when

phase

fetch

much

catch

photo

math

whale

pitch

such

shop

ditch

whip

chin

patch

chip

watch

shade

champ

# Too Much Trash

(read the following passage, make a prediction)

After school, Kim went to the community center to find his mother, the mayor of the town. He walked down the hall to her office and tripped over something big. “A trash bag.?” He thought. “Who put that in the hall?” The door to his mother’s office was blocked with more trash bags. “Mom, what’s going on?” he asked. “I’m not sure,” she said. “There are trash bags everywhere!” Just then the office worker walked in and threw trash bags on the desk. “Excuse me, Joe,” said Kim’s mom. “Please do not throw trash on my desk.”

Why do you think that there is so much trash everywhere? We will finish reading this story in class! 😊
